The **KITA childcare parental advisory service** provides support in looking for a suitable daycare place for families in Munich. Are your children between **0 to 6 years old** or already **primary school age**? Then we are the right place for you.

Here you will receive information on the childcare available in Munich in infant crèches, kindergartens, nursery schools, infant and junior nurseries, after school clubs, all-day schooling or afternoon care. This can be done by telephone at the times indicated below. Or you can book a telephone consultation at muenchen.de/elternberatung. We will call you at the scheduled date.

You can find further information at muenchen.de/elternberatung
